

PPG Projected Expenditure 2015/16

At Winterbourne Junior Girls' School we receive additional funding from the government through the Pupil Premium Grant (PPG). The grant is to fund interventions that close the gap between disadvantaged pupils and their peers. Nationally, 64% of pupils eligible for Free School Meals achieve the expected level at the end of Key Stage Two in reading, writing and mathematics combined, compared to 82% of other pupils (results 2014).

To be eligible for Pupil Premium, a pupil must be one of the following:

- Receiving Free school meals (FSM) within the last six years
- Children who are looked after (CLA) or have left Local Authority Care because of adoption, a special guardianship order, a child arrangements order, or a residence order
- Children of Armed Forces personnel

As a school we have a higher than average percentage of pupils eligible for the PPG.

In the financial year 2014/15, our allocation of Pupil Premium Grant was **£176,090.00**

In the financial year 2015/16, our allocation of Pupil Premium Grant is expected to be **£172,000.00**

In September 2014, we reviewed previous actions and identified new priorities for the spending of the Pupil Premium Grant. Our overriding priority is to improve the progress of our pupils and to close the gap in attainment between our disadvantaged pupils and their peers. Our spending is on items that we believe will have a measurable impact on the progress, attainment and well-being of the pupils. The impact of each item is actively evaluated. Plans may be subject to change in the light of results and impact.

The progress of all pupils is rigorously tracked throughout their time at Winterbourne Junior Girls' School. This information is used to identify appropriate and effective interventions.

In addition to an academic focus, the funding is also used to develop the social and emotional wellbeing of pupils. Interventions that support this area of development have been shown to have a positive impact on learning.

Item	Cost	Rationale	Impact
Soundstart for Year 4	£5,730	All pupils to have access to musical instrument tuition. School paid the deposit for the instruments.	100% pupils receive tuition in a musical instrument.
