

At Winterbourne Junior Girls, we will receive £9,5850 for the academic year of 2017/18

- Once again, we have bought into the Croydon Schools Sport Partnership (CSSP) at a cost of £3,360. This gives our pupils access to inter and intra school competitions. The CSSP also continues to give staff access to training to develop their own teaching skills. Improves the quality of teaching and introduces the staff and school to new initiatives e.g. Real P.E.
- We have continued to use part of the funding on ensuring Winterbourne Junior Girls can compete in inter school competitions by covering transport costs (£500 spent 2016/17).
- We pay for a female coach to cover PE once a week in year 3, year 4, year 5 and year 6. This allows all our pupils access to PE lessons taught by professionals with a high level of skill and also allows for TA professional development in P.E. – where the coach plans and delivers a session with the TA observing, they then team teach a session and finally the TA delivers a session under the supervision of the coach. This totals £5,000..
- We will use the funding this year to support our Sports week in June – where the girls have the opportunity to take part in a variety of sports – e.g. Zumba, Kick boxing, Fencing, Self Defence and Hula Hooping – as well as traditional sports such as Track and Field (£200 per sport per day)
- We have a designated member of staff to co-ordinate PE in school and some of the grant will be used to fund release time for him to do this.
- We are hoping to use our funding to expand our offer of extra-curricular sport clubs this year.

What is the Impact of the Sports Premium Grant?

We would expect the impact to be:

- Increased opportunities for all of our pupils to access a wider variety of PE and Sports.
- Opportunity to develop the competitive element of sports and the skills of sportsmanship.
- Increased opportunities for our pupils with sporting talent to train and compete with pupils with similar skills.
- Pupils are fitter, healthier and are motivated to continue to improve.
- Increased teacher and TA confidence and ability to teach areas where training has been received.
- Increased opportunity for pupils to become sports leaders.
